News from the field

Giles Civil Ltd  
Oct 2006

I came across this the other day and I thought Wow... what a great creed to live & work by...

Respect the Elders, Teach the Young,  
Cooperate with the Family,  
Play when you can, Work when you  
should, Rest in between.  
Share your Affection, Voice your  
Feelings, Leave your Mark.

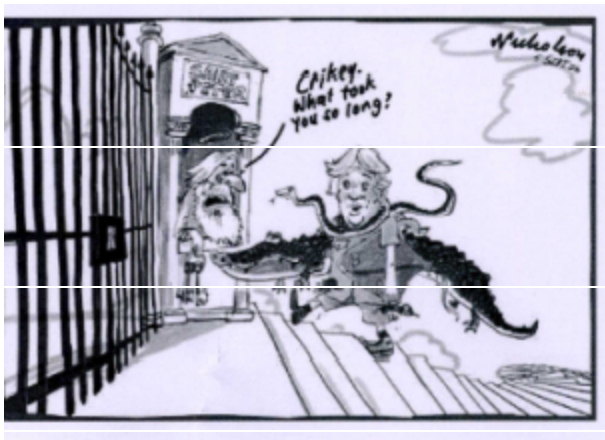

This is attributed to those cute little Meerkats.

Welcome to our new format newsletter. We aim to keep you up to date with what we' re doing, new ideas plus just a few snippets of great quotes & ideas we come across.

## Staff Training, Awards Achievements

Giles Civil has a commitment to train our staff and encourages all staff to up skill. Congratulations to Peter Fletcher, Charles Wootten & Steve Thomas on completing their Infratrains Civil Construction Works Certificate. Just to show that the bosses are part of the team, David Hick & Joe Coombe completed the same course (& passed). Part of this course is completing a First Aid Course.

Get your facts first, and then  
you can distort them as  
much as you please.

## Projects

### Okura River Road Subdivision

*This is an exclusive 13 Lot Subdivision we are working on in Okura. The up market lifestyle blocks include electronic gates, automatic LED lights set into the kerbline of the driveways, together with large bush area around the various streams and a hidden waterfall.*

*We managed to twist the arm of the Local Authority who allowed us an early start to the earthworks. The warm September weather helped us leap frog the project at least one month.*

## Introducing.....

Graham McGregor: Someone useful to get to know.

I knew Graham for almost a year before I met him. For anyone looking for inspiration, motivation, and common sense I strongly suggest you email [graham@charta.co.nz](mailto:graham@charta.co.nz) and ask to put on his mailing list. Mention that we referred you to him. Graham is an Investment Advisor... but definitely not hard sell.

...Graham McGregor can be reached by email on [graham@charta.co.nz](mailto:graham@charta.co.nz).

He works mainly with people aged 45-55 to help them create a large nest egg in 10 years with very little effort. For a general introduction to investment property; email him and ask for a free copy of his 20 page booklet "The Smart Home Owners Guide to Buying Investment Property"
